40 YEARS OF THE FINEST INDIAN CUISINE

Our food is cooked to order and some dishes may take slightly longer to prepare. Please do choose from our starters while you wait. Our menu changes from time to time and as most of our ingredients are sourced locally, certain menu items are subject to availability. Our fish dishes are typically boneless but there may be some fine bones.

Other dishes can be made on request, please ask a member of staff for more information. If you have any allergies or food intolerances, please speak to one of our service staff for guidance.
